Part V, Line 4: Intended uses of the endowment fund.	The Eye-Bank has a policy of spending the investment income generated from the unrestricted board designated amounts in the portfolio fund. The Board of Directors of The Eye-Bank has adopted a policy to limit annual spending of investment earnings for current operations to 5% of the four-year average of the fair value of investments, excluding the two highest and two lowest performance quarters to reduce the effect of volatility on operational support. This is consistent with The Eye-Bank's objective to maintain the purchasing power of the portfolio fund assets held in perpetuity as well as to provide additional growth through investment return and new gifts.
